### GREENWAYS IN GIRONA

What does this offer include?	Description of the offer		
<ol style="list-style-type: none"> <li>1. Three days cycling on the greenways in a self-guided tour.</li> <li>2. Road books and maps to follow the route at your own pace.</li> <li>3. Two nights accommodation in a 3 * hotel and a farmhouse.</li> <li>4. Luggage transfer from one lodging to another.</li> <li>5. Assistance during the trip.</li> <li>6. Optional bike rental</li> </ol>	<p>This route is perfect for the ones who want to cycle the greenways while <b>enjoying the landscape and lodging</b> in charming accommodations. The first section of the Greenway allows you to discover the natural resources of La Garrotxa, such as the volcanic area or the quiet and lovely areas related to the rivers Brugent and Ter. Worth it is a stop in Girona, visiting the Cathedral or the ancient Jewish Quarter, one of the best preserved in the world. From here, the greenway drives you to the coast, reaching the Mediterranean Sea. <b>The ride is easy and fun</b> and you'll be passing through cropland and forests. The last part of the route crosses the Ridaura valley and runs gently down to the seaside town of <b>Sant Feliu de Guíxols</b>, where you can relax and <b>enjoy the rest of the day at the beach</b>. You'll be cycling about 35Km/day.</p>

This diversity is what you'll experience on a route which weaves together the rugged, mountainous terrain of the interior with that of the contrasting Mediterranean coastal plain.</p> <p>A considerable part of this route takes in the famous and tranquil, green pathway that winds its way to the sea. You'll pedal your way past fields, groves of fruit trees, vineyards and natural enclaves of exceptional beauty.</p> <p><b>Nature of the route</b> has been designed to take advantage, as far as possible, of downhill slopes along valleys that start in the interior and wind their way towards coastal plains and the sea. The route hence does not demand a high level of fitness; notwithstanding this, we have different alternatives that can either shorten or lengthen a day's ride.</p> <p>Two thirds of the route goes along the <b>former railway line</b> which is most of it traffic free (<b>84 kms</b>). For the others we have chosen small quiet roads where cars are seldom seen.</p> <p>Approx. 221 - 288 kilometres by bike</p>
